10 REASONS
WHY CAREGILITY?

1 WE DON'T JUST PILOT. WE DELIVER.

No one delivers connected care better than us. With over 19,000 devices across more than 1,100 hospitals globally, we don't experiment — we execute.

2 ONE PLATFORM, ANY CARE SETTING

From hospital bedside to the patient's home, we make it easy to deliver digital health.

3 POWER UP AND INTEGRATE WITH EASE

Connect and launch with ease. Integrate with nurse call systems, clinical decision support tools, and more.

4 AI THAT AMPLIFIES CARE, NOT REPLACES IT

Our responsible AI enhances rather than replaces care. It extends clincians' reach to reinforce patient safety.

5 SOLUTIONS BUILT FOR AND WITH CLINICIANS

No one knows the beside like those who have been there.

6 FINANCIALLY SMART INFRASTRUCTURE

Scale your way cloud on-prem or hybrid with flexible pricing that works for your budget.

7 TOOLS TO MAXIMIZE IMPACT

Our tools help you track performance to optimize care and justify your investment.

8 PROVEN SECURE AND BATTLE TESTED

Our global certifications ensure that your data's defense is our top priority.

Global Certifications

- HIPAA Compliant
- ISO 27001 Certified
